

LexingtonLaw

Good credit— the key to your new home.

Improve your credit with Lexington Law

Lexington Law has helped over 300,000 clients improve their credit. Last year alone we helped delete over 600,000 negative items from our clients' credit reports. Our service has proven so effective that participating clients have seen an average of 10 items deleted from their credit reports within 90 days. (Individual results may vary.)

Impact of poor credit on a 30-year mortgage of \$200,000:

| CREDIT STATUS | RATE | PAYMENT | COST OF CREDIT |
|----------------|------|---------|------------------|
| Excellent | 6% | \$1200 | \$0 |
| Mildly Damaged | 8% | \$1467 | \$96,120 |
| Damaged | 11% | \$1904 | \$253,440 |

Don't let poor credit keep you from your dreams

★★★★★

"I have seen dramatic improvements in my credit rating. I was able to benefit from these changes by refinancing my home, and received an excellent interest rate."*

— B., Lexington Law client

★★★★★

"My score went way down into the 500's. My wife and I planned to buy a house, so with the help of Lexington Law my score went up in just 8 months to 688!"*

— S., Lexington Law client
